Dear Valued Exchange Club Member,

On behalf of all of us, thank you for the powerful, positive impact you have had in your community in the name of Exchange! Our organization is only as strong – ExchangeStrong – as our clubs and members make it.

Because of generous donors like you, your NEC Foundation has been able to fund scholarships for deserving youth through the Youth of the Year and A.C.E. programs and has provided critical support for our annual CAP Symposium. We are making significant progress in our fight to eliminate child abuse, but there is still a long way to go! Your contributions help our CAP Center staff attend the Symposium and access valuable information and resources to further their work in helping children and strengthening families.

Please take a few moments to read through the information provided in this brochure. We want to continue to provide these services and more, but we can’t do it without your help! Our goal is to raise $375,000 this year – an ambitious goal to be sure – but one that is definitely within our reach!

A house is only as strong as its foundation – Please consider a tax deductible gift to your foundation and keep us ExchangeStrong! Check with your employer – if they have a matching gift program, you may be able to make your contribution go even farther. Whatever you give, your gift will help us ensure the growth of the National Exchange Club and its programs! Together, we can continue building a better America.

Thank you for your support!

Dennis Koch
NEC Foundation President

Supporting the Programs of Exchange!

Make your pledge today:

☐ $35  ☐ $1000
☐ $50  ☐ $2500
☐ $100  ☐ $5000
☐ $250  ☐ $____________

Thank you for your support!
These factors are critical in producing more healthy and happier childhoods. The Exchange Parent Aide model – reduces the resources needed to deal with the consequences of child abuse for years to come. The Exchange Parent Aide program has demonstrated the ability to reduce maternal depression, reduce aggression, and reduce the number of child abuse deaths. The Exchange Parent Aide has been the recipient of the National Youth of the Year and National Accepting the Challenge of Excellence Award scholarships. In addition to the two $10,000 scholarships, the NEC Foundation assists award winners and their families to attend the national conference by providing convention packages, airfare and lodging.

Through your generous contributions, the NEC Foundation has provided direct support to our network of Exchange Club Child Abuse Centers in the form of materials, resources and training along with funding of the annual Child Abuse Prevention Symposium for more than 30 years. Held in conjunction with the National Convention, the symposium provides valuable training to our CAP center directors and staff. Your donations make it possible to continue the tradition of outstanding speakers and informative sessions for those on the front lines of child abuse prevention!

We are making a difference! The number of children who were abused and neglected in the United States has fallen from 702,000 in 2009 to 679,000 in 2013, the most recent study prepared by the U.S. Department of Health & Human Services available. Still, approximately 5 children die each day from abuse and neglect. We’ve come so far since adopting Child Abuse Prevention in 1979 but we still have a long way to go – your contributions are truly making a difference in the lives of many grateful children!

Thousands of high school seniors have been recognized by local clubs, districts and the National Exchange Club over the years. The honored youth efforts, achievements and essays have been judged as the best of the best. Of greater significance is the effect these outstanding young citizens have made on their schools, communities and, especially in the case of our A.C.E. recipients, their own lives.

Our National Accepting the Challenge of Excellence Award recipients’ stories are so moving that many Exchangites want Exchange to do more. Now, there is a way! With a minimum annual contribution of $25 dedicated to Youth Scholarships, you can help fund the additional $15,000 needed to provide a second A.C.E. Scholarship (and related expenses). These students, who have overcome difficult times and obstacles, yet still manage to receive their diploma and excel. It recognizes students who are often overlooked for their accomplishments. A.C.E. of the Year recipients are a shining example of hard work and perseverance.

A.C.E. of the Year recipients are a shining example of hard work and perseverance.

America’s young people are its most precious resource and Exchange is committed to helping our youth. Youth of the Year and Accepting the Challenge of Excellence scholarship programs are two of the most popular Exchange Club programs throughout the country. Through your contributions, the NEC Foundation has provided funding for the National Youth of the Year and National Accepting the Challenge of Excellence (A.C.E.) Award scholarships. In addition to the two $10,000 scholarships, the NEC Foundation assists award winners and their families to attend the national convention by providing convention packages, airfare and lodging.
